

## SKILL DEVELOPMENT CELL ([www.grietsdc.in](http://www.grietsdc.in))

### INTRODUCTION:

Gokaraju Rangaraju Institute of Engineering and Technology (GRIET) is established in 1997 by Dr. G Gangaraju as a self-financed institute under the aegis of Gokaraju Rangaraju Educational Society. GRIET is approved by AICTE, autonomous under JNTUH, Hyderabad. GRIET is committed to quality education and is known for its innovative teaching practices.

### GRIET SDC:

Today's major concern is that formal education does not provide suitable skills to make candidates employable. There is a huge requirement for skilled manpower. GRIET Skill Development Cell has been entrusted the responsibility to train students by providing them various courses, with objective for enhancing their Employment/ Self-Employment opportunities. Anticipating, before they complete their graduation they will be ready with the necessary skills required by the industry. GRIET is a member of the CISCO NETACADEMY and also leading engineering college in training Cisco courses in the state of Telangana.

### CISCO SYSTEMS INC:

CISCO is the worldwide leader in networking for the Internet. The company was founded in 1984 by two computer scientists from Stanford University seeking an easier way to connect different types of computer systems. Today Cisco is one of the world's largest and most successful networking company.

### CISCO NETACADEMY:

Cisco Systems sponsors a line of IT professional certifications via a portal called the Cisco Networking Academy. Qualifying colleges can become members of the Cisco Networking Academy and then provide CCNA level or other level courses. The courses include: Entry (CCENT), Associate (CCNA/CCDA), Professional (CCNP/CCDP), Expert (CCIE/CCDE) and Architect (CCAr). Design, Industrial Network, Network Security, Service Provider, Storage Networking, Voice, Datacenter and Wireless.

### CISCO INSTRUCTORS:

Cisco Academy Instructors must be CCNA certified to be a CCAI certified instructor. All GRIET CISCO instructors are certified by CISCO NETACADEMY.

### JOB OPPORTUNITIES:

Plenty of network job opportunities are open for qualified people. CISCO NETACAD is conducting campus exams for apprenticeship and placements from 2019. Selected students will get apprenticeship and placements. All registered NETACAD members are eligible for attending these exams.

### COURSES:

CISCO NETACAD is offering more than 50+ courses globally. Including computer languages, operating system, networking and security courses etc. For more details on courses visit [www.grietsdc.tech](http://www.grietsdc.tech) website or [www.netacad.com](http://www.netacad.com). The courses offered include both self paced and instructor led. Self paced courses can be done by the students themselves, where as for instructor led courses classes are conducted regularly.

### RESOURCES AND EVALUATION:

Once the student gets registered and login into account, he/she can access the course contents and other resources including the course material (text and videos), simulation tools etc. Examinations are conducted online, proctored by authorised instructors. Evaluation and certification is done by CISCO NETACADEMY. After successful completion, both soft and hard copy certificates are provided to the students.

### COURSE ANNOUNCEMENTS:

Courses are announced time to time almost every month, communicated to the NETACAD members through WhatsApp groups and posted/updated in website: [WWW.GRIETSDC.IN](http://WWW.GRIETSDC.IN). Members should join in the respective WhatsApp group(s) for updates.

### COURSE FEE : NIL

GRIET management recently announced a special offer to make all Cisco courses free of cost for a limited time to encourage the students to enhance their skills. To avail this opportunity students should get registered in GRIET NETACADEMY as a member by paying a small amount as a registration fee.

### REGISTRATIONS:

Registration is a two step process. **Step 01:** Pay Rs.500/- as a registration fee and take the receipt. **Step 02:** Visit our SDC website: [www.grietsdc.in](http://www.grietsdc.in). goto portfolio - select join as a member. Fill your details by clicking the "1.registration link". Also join the "2.WhatsApp group through the given link".

## CISCO COURSES: (50+ courses)

### Networking Courses:

CCNA R&S: Introduction to Networks  
CCNA R&S: Routing and Switching Essentials  
CCNA R&S: Scaling Networks  
CCNA R&S: Connecting Networks  
CCNA R&S 6.0 Bridging  
Networking Essentials

### Internet Of Things (IoT):

Introduction to IoT  
IoT Fundamentals: Connecting Things  
IoT Fundamentals: Big Data & Analytics  
IoT Fundamentals: IoT Security  
IoT Fundamentals: Hackathon Playbook

### Cyber Security:

Introduction to Cybersecurity  
Cybersecurity Essentials  
CCNA Cybersecurity Operations

### Packet Tracer (Network simulator):

Packet Tracer Know How  
Introduction to Packet Tracer  
Introduction to Packet Tracer - Mobile

### Operating Systems:

Partner: NDG Linux Unhatched  
Partner: NDG Linux Essentials  
Partner: NDG Linux I  
Partner: NDG Linux II

### Languages:

CPP: Advanced Programming in C++  
CLP: Advanced Programming in C  
CPA: Programming Essentials in C++  
CLA: Programming Essentials in C

PCAP: Programming Essentials in Python.

### Other courses:

Mobility Fundamentals  
Get Connected  
Be Your Own Boss  
Entrepreneurship  
Introduction to the Internet of Everything

### Community courses:

Smart Grid Essentials  
Empowerment Technologies
