

## **EPITOME 25**

### **WORKSHOP 2: DATA ANALYTICS**

The **Epitome 25 - Data Analytics** Workshop is an event designed to equip participants with essential knowledge and skills in data analytics. Understanding the importance of data, how businesses leverage it for decision-making, and how individuals can develop expertise in this field can significantly impact career growth and industry advancements.

The Data Analytics Workshop was conducted on **February 21, 2025**, bringing together data enthusiasts and aspiring analysts. With a registration fee of ₹300 per participant, the workshop provided an immersive learning experience, covering key aspects of data analytics, real-world applications, and hands-on exercises. The event also included lunch, refreshments, and exclusive goodies, ensuring a well-rounded and engaging learning experience.

This workshop served as an excellent opportunity for to gain valuable insights into the ever-evolving field of data analytics while interacting with an expert and networking with like-minded individuals.

#### **Resources Provided to the Participants:**

The Data Analytics Workshop was a full-day session conducted from 9 AM to 3:30 PM on February 21, 2025, at the Civil Seminar Hall, GRIET. The venue was fully air-conditioned, ensuring a comfortable and conducive learning environment for all attendees.

Participants received exclusive goodies upon arrival, adding to their workshop experience. Lunch and refreshments were provided to keep participants energized throughout the day. A dedicated team of EPITOME 25 along with technical support staff, was present to assist with any requirements, ensuring the smooth execution of the event.

### **Highlights and Honors:**

The Data Analytics Workshop commenced with a speech by a student representative, who shared the vision of GSDC SB and EPITOME 25, emphasizing their commitment to fostering skill development and industry-oriented learning opportunities for students. This introduction set the stage for an insightful and knowledge-driven session.

Following this, the esteemed speaker, Mr. Manohar Marri, took the stage to deliver an in-depth session on Data Analytics. With his vast experience in the field, he provided valuable insights into how organizations leverage data-driven decision-making to enhance business strategies and operational efficiency.

The workshop featured comprehensive discussions on key topics such as data analysis techniques, industry applications, and real-world case studies. Participants actively engaged in hands-on exercises, allowing them to gain practical exposure to data analytics tools and methodologies.

An interactive Q&A session enabled attendees to directly engage with Mr. Manohar Marri, asking insightful questions and gaining clarity on advanced data analytics concepts. This session fostered critical thinking and a deeper understanding of analytics in modern industries.

To conclude the event, Chief Instructor of SDC, Dr. G.S. Bapi Raju, and the core committee of Epitome 25 expressed their gratitude and presented a token of appreciation to Mr. Manohar Marri, acknowledging his valuable contributions in guiding participants through the evolving landscape of data analytics.

### **Instructor and his Background:**

#### **Mr. Manohar Marri:**

The workshop was graced by the esteemed speaker, Mr. Manohar Marri. With vast experience in Data Analytics, he has played a significant role in helping organizations make smarter business decisions. His expertise has guided businesses in unlocking valuable opportunities and improving operational efficiency. His session was highly engaging and informative, providing participants with a practical understanding of the subject.
